

More Than Just Books at NPL!

In 2024, NPL continued to grow and prove that the library is so much more than just books. **With our ever-expanding Library of Things, you can borrow everything from tools and games to puzzles and LEGOs—because learning comes in all shapes and sizes!** Do you need a hotspot to stay connected or a creative program to learn something new? We've got that too! NPL is always finding new ways to bring exciting resources and experiences to our customers. **Whether you're here to borrow, learn, create, or explore something new, we're glad to serve the NPL community.**
